**PWCC Auction Fees** *Last edited: 4/1/2016*

All submitted items are charged an individual auction fee consistent with that single item's category and value. Items which require more labor to list at auction (i.e. Multi-Item Group Lots and Memorabilia) are charged higher fees than Individual Graded Cards.

The fees below include all fees associated with the auction process (eBay, PayPal, shipping, etc.). As such, the auction client will receive an amount exactly equal to the auction's closing price, less the stated fee.

Individual Graded Cards <sup>2</sup> <i>(PSA, SGC, BVG, BGS, GAI)</i>		Individual Ungraded Cards <sup>3</sup> & Unopened Wax <sup>4</sup>		Multi-Item Group Lots <sup>5</sup> & Memorabilia <sup>6</sup>

Notes:

- All items should be shipped to PWCC free of stickers, sleeves, and team bags. This is to ensure that items are processed efficiently and listed on schedule.
- Volume discounts available for **Individual Graded Card** submissions over 250 and over 500 cards. Discounts are described online. Note that PWCC may group items together into group lots if individual items don't meet the minimum values. Volume discounts are assessed based on lot count; items grouped into a lot are counted as one lot. Graded packs, tickets, and other slabbed items (i.e. cut autographs) are treated like Individual Graded Cards.
- Raw cards include those items graded by companies other than PSA, SGC, BVG, BGS, or GAI. Items graded by KSA, BCCG, and others are treated as Individual Ungraded Cards.
- Unopened wax must be authenticated by a reputable 3rd party or factory sealed by the manufacturer. Note: PWCC has preferential pricing and handling times aligned with BBCE. Please ask us for assistance.
- All Multi-Item Group Lots & Memorabilia must be approved by PWCC prior to shipment.** Please send an email to [cs@pwccmarketplace.com](mailto:cs@pwccmarketplace.com) to get approval as well as to obtain preparation instructions that will ensure items are received in a condition suitable for auction. Group lots and other items that require additional preparation by PWCC staff may be subjected to a \$50/hr fee.
- Memorabilia and misc signed items must be authenticated by a reputable 3rd party such as PSA/DNA, JSA, UDA, Steiner, or similar.

## Packing List

### Packing & Shipping

Place submitted items into an appropriate box and be sure to keep items away from box corners (2" of padding between your collectible and the box corner is ideal).

Double boxing is never a bad idea, though a larger box may increase shipping costs. If you're shipping graded cards, be sure to stack graded cards tightly and secure them. Make sure ungraded (raw) cards are properly protected and sealed in Card Saver 1 or similar holders. For sets and group lots, ensure cards in binder pages are removed from the binder and secured tightly with plastic wrap to prevent shifting in transit. Never ship items in a binder as binders often spring open in shipping and cause damage the cards.

#### **SHIPPING ADDRESS**

PWCC Marketplace  
7560 SW Durham Road  
Tigard, OR 97224

We can accept submissions shipped via any standard courier or through in-person drop-off. We especially like USPS Express, USPS Priority w/ Certified, USPS Registered mail, UPS Ground, and FedEx. Determining the best courier depends on the size and value of the consignment. Timeline may also influence the shipping selection if the consignment deadline is quickly approaching. **Regardless of which courier you choose, ALWAYS send a package with a tracking number and required signature upon delivery.** Do not hesitate to contact us for shipping recommendations.

### Note

**Multi-Item Group Lots & Memorabilia must be approved with the auction house before shipping\***. Please send an email to [cs@pwccmarketplace.com](mailto:cs@pwccmarketplace.com) for approval and to obtain preparation instructions that ensure items are received in a condition suitable for auctioning. Any group lots which are received in a disorganized fashion may be subjected to a \$50/hr fee while PWCC employees prep the submission.
